

Northeast Ohio Manufacturing Apprenticeship Consortium

Making apprenticeships work for you

Apprenticeship Made Simple!

Despite the growing skills gap facing manufacturers across the region, many employers feel that taking on an apprentice is simply too hard, too costly or too time consuming.

Don't Miss out. Let your partners at WIRE-Net help you pave a way towards building your own talent pipeline.

WIRE-Net/NOMAC Managed Apprenticeship Services

Specifically geared to help employers navigate the maze of information for launching an apprenticeship program.

As a member of WIRE-Net/NOMAC your company will benefit from the following expert, value-added services:

- A State-Approved Apprenticeship Program – **CNC Machinist**
- A Cohort training platform customized to companies in the consortium
- Access to funding resources that can help defray some program costs
- Ongoing administration/management of *all aspects* of the program
- Apprenticeship candidate recruitment support (including pre-apprenticeship graduates from Consortium program)
- OJT Train-the-Trainer Support for your Company in-house training staff
